Hi Lee,

The price for us carrying out the opening up works as per the attached drawing will be £10,118.00 + VAT.

Our price is based on 1 week on site and accessing the highlighted areas via a 22.5m diesel boom lift.

We can commence work on 27th July or 3rd of August, whichever suits best?

Give me a call if you have any queries.

Best regards,

Rory Mc Callan
